Hisense UHD 4K

Roku TV

Entertain your whole household! The A6NR Series smart TV from Hisense is made for the entire family. See movies through directors' eyes, as they were originally intended, with FilmMaker Mode. Level up your gaming with the super-fast refresh times of Game Mode Plus 4K 60Hz, Variable Refresh Rate and Auto Low Latency Mode. Bring the sounds of the cinema directly into your living room with DTS Studio Sound audio technology. And tune into just about every show on your list with Roku TV.

Roku TV

Hisense Roku TV makes it easy to watch what you love with built-in streaming. Enjoy endless free, live and trending TV with all the most popular apps and new features added automatically. Available in lots of sizes, there's a Hisense Roku TV for everyone and every room.

4K AI Upscaler

Bring what's on screen into crystal-clear focus. Our 4K AI Upscaler transforms beloved classics, home movies, broadcast TV and even streaming content into striking 4K quality. It's amazing what can happen when every pixel works even harder.

Game Mode Plus

Game on! Game Mode Plus is a winning combination of technology that gets your name on the leaderboard. Stress less and play more with a Variable Refresh Rate and Auto Low Latency Mode.

Dolby Vision™ HDR and HDR10

Transform your TV into an entertainment powerhouse with Dolby Vision HDR and HDR10. This cinematic technology brings the big screen right into your living room.

DTS Studio Sound*

Turn up the volume of your experience with DTS Studio Sound™, an audio suite that employs the latest in technology to create an immersive listening experience. It works by using a two-speaker playback system that provides an expanded sense of space and ambience, even when speakers are spaced closely together.

*50" and 75" Support DTS Virtual:X

Works with Google Assistant and Alexa*

Gain access to all the latest programming and control your TV with the Google Assistant or Alexa that you already own. With the touch of your remote, Roku mobile app or sound of your own voice, turn on and off your TV, change the channels and more.

*Requires compatible Alex or Google device
