

GE® 6,000 BTU DOE SACC Portable Air Conditioner for Small Rooms up to 250 sq. ft.

Model# *APHS06BWF*

- Cools Medium Rooms up to 250 Sq. Ft. - 6,000 BTU DOE portable air conditioner delivers powerful cooling, ideal for bedrooms, offices, and small-sized living spaces.
- 3-in-1 Comfort Functionality - Works as an air conditioner, fan, and dehumidifier with two fan speeds to keep your room comfortable in every season.
- Auto Evaporation System - No bucket to empty—under most conditions, this portable AC evaporates excess water automatically for low-maintenance operation.
- Quick Window Installation - Includes a full window installation kit for easy setup in double-hung or sliding windows—no cutting required.
- Digital LED Controls with Remote - Bright display and included remote control let you adjust cooling, fan speed, and timer settings from anywhere in the room.
- Portable with Easy-Roll Wheels - Built-in caster wheels make it simple to move your air conditioner from room to room for flexible cooling.
- Automatic Restart - Unit automatically restarts with your last settings after a power outage for uninterrupted comfort.
- Reusable Washable Filter - Easy-to-clean filter helps maintain efficient cooling performance and indoor air quality.

FEATURES
