

GE® 8,000 BTU DOE SACC Portable Air Conditioner for Small Rooms up to 350 sq. ft.

Model# **APHS08WWF**

- Cools Medium Rooms up to 350 Sq. Ft. - 8,000 BTU DOE portable air conditioner delivers powerful cooling, ideal for bedrooms, offices, and medium-sized living spaces.
- 3-in-1 Comfort System - Functions as an air conditioner, fan, and dehumidifier with three cooling modes and fan speeds for year-round comfort.
- Smart WiFi Control - Built-in WiFi with SmartHQ app lets you monitor and control your portable AC from anywhere using your smartphone.
- Hassle-Free Auto Evaporation - Most room conditions require no manual draining—the unit automatically evaporates excess water for easy maintenance.
- Digital LED Display - Bright, easy-to-read LED controls make it simple to adjust cooling, fan speed, and dehumidifier settings.
- Convenient Remote Control - Includes a full-function remote so you can change settings without leaving your seat.
- Easy-Roll Mobility - Smooth-glide caster wheels let you easily move the AC unit between rooms for flexible cooling.
- Automatic Restart - Restarts with your last settings after a power outage, ensuring continuous comfort without resetting.
- Even Airflow with Auto Louvers - Automatically adjusting louvers distribute cool air evenly throughout your space.

FEATURES
