

**CI365TF/S****FEATURES**

Distributes heat more evenly with 40 percent faster temperature response than gas or electric

Transfers heat more efficiently because the energy is supplied directly to the cookware

Enjoy cooking with lightning-fast highs and subtle lows

Pair our slim 15" width with other Wolf modules for an integrated design

The Bridge function joins two induction zones into one large area, enabling use of an induction-capable griddle, open roaster, or fish poacher

Promote safer and easier cooking with cookware sensing guards

Cleanup is a snap with the black ceramic glass surface

Enjoy the illuminated touch controls and convenient lock feature

**ACCESSORIES**
