

**24" Top Controls, Panel Ready, Built-In Dishwasher, Stainless Tub, 45 dBA, 3rd Rack, ENERGY STAR®****DWT81800FBI****Key Features & Benefits****Custom Panel Ready**

Achieve a seamless look by perfectly matching your kitchen cabinetry to your Custom Panel Ready Dishwasher. Its innovative design allows for a fully flush installation, adding a new level of sophistication to your space.

PowerWash Function

The PowerWash Function features a specially engineered 180-degree rotating arm with a 360-degree spinning head, delivering powerful sprays that reach every angle—ideal for tackling heavily soiled pots and pans with ease.

Full Size Third Rack

This versatile Full Size Third Rack is tailor-made for those occasions when you need extra space for cutlery, large utensils and small items.

Interior Illumination

A brilliant Interior Illumination ensures you can easily see every item, even in the farthest corners. This premium feature is one you didn't realize you needed—until now.
