

# FF31L7BICSS

26.13" x 17" x 19" (H x W x D)

Commercial style built-in capable compact all-refrigerator in stainless steel with digital thermostat

### Highlights:

Flexible design allows built-in or freestanding use

Meets UL-471 commercial electrical standards

Digital thermostat for easier and more precise temperature management

### Product Features:

|                           |                                                                                                                      |
|---------------------------|----------------------------------------------------------------------------------------------------------------------|
| Built-in capable          | Front-breathing system allows the unit to be used built-in                                                           |
| Stainless steel exterior  | Stainless steel construction on the cabinet and door for a professional look with lasting durability                 |
| Automatic defrost         | No-frost convenience for reduced user maintenance                                                                    |
| Digital thermostat        | Electronic controls offer more precision in temperature management, with a readout viewable in Celsius or Fahrenheit |
| Factory-installed lock    | Keyed lock for a secure interior                                                                                     |
| Adjustable chrome shelves | Rearrange the refrigerator space to fit any sized item or remove shelves for simple cleanup                          |
| LED lighting              | Interior LED lighting offers an energy efficient view in an attractive blue hue                                      |
| Flat door liner           | No door shelving allows the unit to accommodate deeper items                                                         |
| Sealed back               | Space-saving design with no exposed coils in the rear offers easy cleanability                                       |

## FF31L7BICSS Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 25.5" (65 cm)      |
| Height to Hinge Cap        | 26.13" (66 cm)     |
| Width                      | 17.0" (43 cm)      |
| Width with Door Open       | 17.75" (45 cm)     |
| Depth                      | 19.0" (48 cm)      |
| Depth with door at 90°     | 34.75" (88 cm)     |
| Capacity                   | 2.5 cu.ft. (71 L)  |
| Defrost Type               | Automatic          |
| Door                       | Stainless Steel    |
| Cabinet                    | Stainless Steel    |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Amps                       | 1.3                |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 58.0 lbs. (26 kg)  |
| Parts & Labor Warranty     | 1 Year             |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101055046       |
| Refrigerator Features      |                    |
| Door Swing                 | RHD                |
| Reversible                 | Factory Reversible |
| Shelf Type                 | Chrome             |
| Shelf Qty                  | 4                  |
| Adjustable Shelves         | Yes                |
| Thermostat Type            | Digital            |
| Refrigerant Type           | R600a              |
| Refrigerant Amount         | 0.6oz.             |
| High Side PSI              | 270.0              |
| Low Side PSI               | 103.0              |
| Interior Light             | Yes                |
| Dimensions                 |                    |
| Interior Height            | 21.25" (54 cm)     |
| Interior Width             | 13.5" (34 cm)      |
| Interior Depth             | 14.75" (37 cm)     |
| Compressor Step Height     | 7.5" (19 cm)       |
| Compressor Step Width      | 13.5" (34 cm)      |
| Compressor Step Depth      | 5.0" (13 cm)       |
