FF64BIF

34" x 23.63" x 23.5" (H x W x D)

Built-in undercounter all-refrigerator for residential or commercial use, frost-free w/integrated SS door frame for overlay panels

Highlights:

Flexible design allows built-in or freestanding use in 24" wide spaces

Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry

Recessed LED lighting offers attractive presentation of stored products

Product Features:

Efficient design meets CEE Tier II specifications, using 25% less energy than DOE standards require for this product category
Meets ENERGY STAR standards as a commercial refrigerator and meets DOE standards for residential use
Front-breathing design lets you make the best use of space by installing your appliance under the counter
Integrated stainless steel door frame accepts full overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design (panel size: 23 1/2" W x 30" H and at least 3/4" thick; maximum weight: 10 lbs.); customers provide their own handles
No-frost operation for minimum user maintenance
Electronic controls located inside the unit for precise temperature management
Elegant lighting with a convenient on/off switch on the control panel
Rearrange refrigerator space to accommodate all sizes or remove shelves for simple cleanup
Floor is specially slotted to store wine and other bottles safely in place
