GE® 4.0 cu. ft. Capacity Washer with Stainless Steel Basket and Water Level Control

FEATURES AND BENEFITS

Large 4.0 Cu. Ft. Capacity - Power through laundry day in less time than ever before with a large capacity washing machine that can easily handle big loads and bulky items.

Water Level Control - Manually add up to 26 gallons of water to your washer, or let the washer optimize with auto-fill for great cleaning results no matter the cycle selected.

Heavy-Duty Agitator - Powerful Heavy-Duty Agitator provides better turnover for bulky items and thorough cleaning of large loads while still offering a gentle touch for delicate items.

Deep Rinse - Ensure that all your garments are free from detergent, fabric softener, stubborn soils and even pet hair in this deep-rinse washing machine.

Late Lid Lock Safety - Pretreat stains, infuse detergents or add in forgotten clothes without being locked out with the convenient Late Lid Lock Safety. When the water level is manually selected, the lid only locks during the final spin for safety.

Status Notification - Effortlessly monitor your wash cycle using the notification display that lights to indicate fill, soak, wash, rinse, or spin status at a glance.

Stainless Steel Drum - Stainless steel basket ensures both your appliance and your clothes are protected from rust, chips, peeling or snags.

10 Wash Cycles - Choose from 10 trusted washer cycles that can accommodate any and every load type.

Made in America - This American-Made washing machine contains 70 to 90% U.S. content.

10-Year Limited Motor Warranty - Enjoy peace of mind for years to come with a washer warranty that backs the motor with a dependable 10-year limited warranty.

MATCHING DRYERS:
