

HTA7100

BRAVIA Theater Bar 7, with 9 speakers, Dolby Atmos®/DTS:X® compatible

Your solution to cinematic sound. With 9 speaker units, dedicated up-firing speakers, side-firing speakers, and acclaimed 360 Spatial Sound Mapping,¹ this compact soundbar creates expansive spatial audio that surrounds your seating position and transforms your living room into a true cinematic space with a single soundbar.

Bullets

- Experience the ultimate home surround sound experience with 360 Spatial Sound Mapping technology.¹
- Get cinematic surround calibrated specifically for your room with Sound Field Optimization.
- Get the best streaming experience with support for Dolby Atmos®, DTS:X®,² and IMAX® Enhanced certification.³
- Hear immersive sound from 9 speaker units including up-firing speakers, side-firing speakers, and a center channel.
- Expand your setup with dual subwoofers and rear speakers for an even more immersive experience.⁴
- Enjoy wireless music streaming from your smartphone with Bluetooth®, Spotify Connect, and AirPlay.^{5,6}
- Give your favorite music a boost as DSEE Ultimate restores acoustic details for a richer listening experience.
- Use BRAVIA Connect app to easily set up, control, and update your soundbar⁷
- Pair with compatible BRAVIA TVs to take advantage of Voice Zoom 3™ for enhanced dialogue.⁶
- Supports video formats 4K HDR, 8K HDR, Dolby Vision® and HDMI 2.1 gaming features 4K120, VRR, ALLM.^{2,8}
- Control soundbar settings directly from the BRAVIA Quick Settings menu.⁷

Features

Ultimate surround sound with 360 Spatial Sound Mapping

Experience the ultimate home surround sound experience. 360 Spatial Sound Mapping technology creates 5 phantom speakers in front of you and reflects sound off the ceiling and walls, enabling cinema-style surround sound from a single soundbar.¹

Make everywhere the best seat

Enjoy a cinematic surround experience calibrated specifically for your room. Sound Field Optimization ensures that every seat is the best seat in the house, regardless of your room's unique acoustics.

Sound straight from cinema

Bring the authentic atmosphere of the movie theater into your living room. The BRAVIA Theater Bar 7 supports industry-standard formats like Dolby Atmos® and DTS:X®, and is IMAX® Enhanced certified for a truly premium experience.^{2,3}

Wireless Bluetooth® streaming

Enjoy wireless music streaming from your smartphone and other devices with Bluetooth® technology.^{5,6}

Immersive sound from 9 speaker units

Experience cinematic surround sound from a single soundbar. The BRAVIA Theater Bar 7 features 9 speaker units including dedicated woofers and tweeters for precise imaging. Up-firing speakers reflect sound off the ceiling, enhanced by 360 Spatial Sound Mapping.¹ Side speakers fill your room with expansive sound, while a full-range center speaker ensures clear, natural dialogue.

Give your favorite music a boost

Enjoy tracks like you're in the recording studio with the artist. Digital Sound Enhancement Engine (DSEE Ultimate) up-mixes compressed digital music, restoring acoustic details for a richer listening experience.

Do it all with BRAVIA Connect app

Easily control BRAVIA Theater from your smartphone. The BRAVIA Connect app guides you through initial setup and lets you adjust volume, sound field and more.⁷

Crystal clear voice. Precise dialogue.

No more muffled voices. When combined with a compatible BRAVIA TV, Voice Zoom 3 uses AI powered machine learning to recognize human voices and amplify or reduce their volume so even small dialogue sounds loud and clear.¹⁰

Effortless control with BRAVIA TV

Control surround sound easily with your BRAVIA TV remote. Sound settings automatically appear on the BRAVIA Quick Settings menu for easy control of features, like Sound Field and volume.⁹

Space-saving Design

The supplied spacer allows the soundbar to sit tidily over the TV stand for an integrated look that saves you space.¹¹

Make movies come to life

With its HDMI 2.1 capability, BRAVIA Theater Bar 7 ensures the original picture quality of any source is preserved, right up to 8K HDR.^{2,13}

An immersive gaming experience

Lose yourself in your gaming. Enjoy immersive overhead sound with the PlayStation®5 console, and optimized picture settings using Auto HDR Tone Mapping and Auto Genre Picture Mode when connected to compatible BRAVIA™ TVs. This product also supports VRR, ALLM and SBTM for more realistic gaming.^{13,14}

Environment in mind

Sony's home audio products are designed not only for excellent sound experiences but also with the environment in mind. We are committed to using less virgin plastic in our packaging and recycled materials in our products. Approximately 75% of the packaging is made from recycled paper and paper-based materials to minimize the use of virgin plastic, and approximately 87% of the fabric used on the speakers is made from recycled cloth.

Accessibility Effort

For users with visual impairments, a raised square frame guides to a QR code¹² for the BRAVIA Connect App with screen reader support. Tactile dots on the back panel identify the eARC HDMI terminal for TV connection.

Specification
