POWERPLANT SPEAKER & CHARGER

Portable Bluetooth Plant Charging Station with Multiple USB Charging Ports

The iHome Portable PowerPlant Speaker USB Charging Station will make a stylish addition to any kitchen, bathroom, bedroom, or office decor. The sleek base features a realistic faux succulent plant design that enhances any space, all without the upkeep of maintaining a real plant.

Use this decorative phone charger to charge multiple devices (including iPhone, Android, and Samsung phones) at the same time using the dedicated 20W USB-C port and 10W USB-C and USB-A charging ports (cables not included).

Stream music and podcasts up to 100 feet from the speaker emerging from Acoustic Fabric for great sound.

The built-in rechargeable battery lets you move the PowerPlant around the house or keep it charges with the included cable and wall adapter

Rubber non-slip feet ensure sturdy placement on almost any surface, from desks to nightstands, countertops and more. Keep your home or office space neat and organized and take on each day fully charged.
