

30" Panel-Ready SlimTech Column Refrigerator JBRFSR30RX (Right Swing)

Features

Daring Obsidian Interior

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let fine foods emerge like vibrant art, begging to be devoured.

Ecliptic Lighting

Live beyond the shadow, live beyond puck lighting. Over 650 LEDs frame and fill your column, coming alive at a touch of the controls. Each item illuminates in dramatic glory.

Trinity Cooling

Three zones. Three precision sensors. Calibrated every second. Command temperatures and humidity in each zone with an exposed air tower for total control.

Remote Access

Open door. Power outages. Filter changes. Connect to WiFi for real-time notifications and control your columns from anywhere. Tap and swipe on both iOS and Android devices.

Solid Glass and Metal

All-metal bins and shelf frames. Thick, naturally odor-resistant solid glass. A forcefield at the edge that prevents spills. To hell with cheap plastic in luxury designs.
