

24"

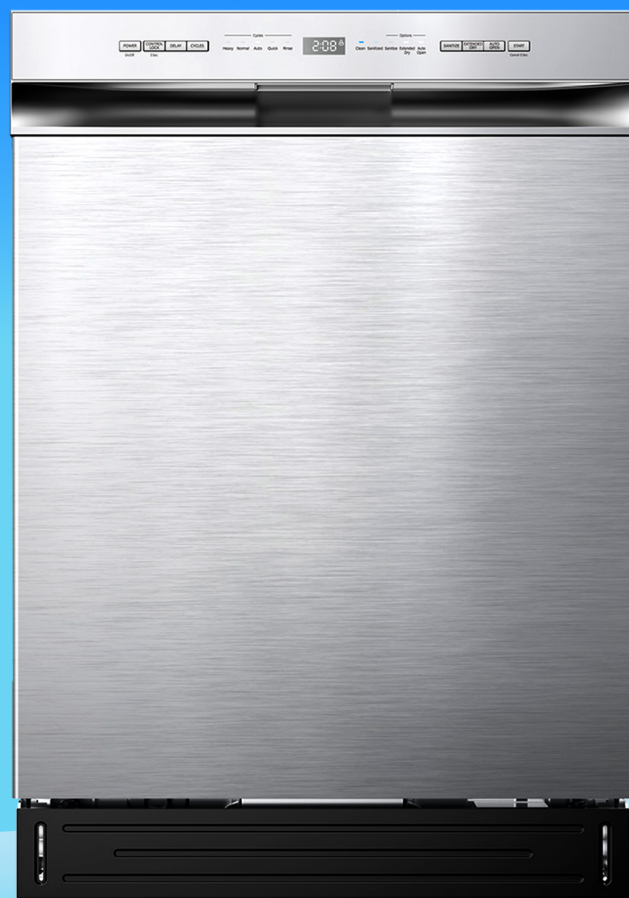

Front Control Dishwasher

WOW Features

Auto-Open Door

Hybrid Tub

Heated Dry

Midea's 24" Front Control Dishwasher delivers consistently powerful cleaning and superior drying performance with more stainless steel inside. The hybrid tub features stainless steel sides, top, and door, paired with a durable plastic bottom for enhanced durability and drying. Its advanced two-stage drying system first uses high heat to remove moisture, then Auto-Open Door technology releases steam and draws in fresh air. When your dishes come out dry, fresh, and ready to go, you can PLUS UP what matters most.
