Warranty

Large 1.7 cu. ft. Capacity

The spacious interior easily holds large plates and casserole dishes.

Powerful Ventilation

The 2-Speed 300 CFM Fan quickly removes steam, smoke, and odors for a fresher kitchen while you cook.

Express Menu

Choose from 6 preset cooking options to enjoy perfectly heated meals, ingredients, or beverages.

Precise Power

Offers 1,000 W of cooking power with 10 adjustable levels, giving you complete control over how your food is heated.

Diamondback Non-Stick Coating

Distributes heat evenly for improved cooking performance and makes it easy to wipe away messes.

Sleek Exterior Finish

Available in stainless steel and black finishes to blend seamlessly into your kitchen decor.
