Certifications & Warranty

Best-in-Class Capacity in a Slim Profile

Offers 23 cubic feet of food storage in a 33-inch-wide footprint, making it perfect for smaller kitchens, apartments, and homes with tighter cabinet openings.

Counter-Depth Design

Fits flush with countertops for a built-in look.

Icemaker

Enjoy a steady supply of ice cubes without having to fill trays.

Garage Ready

Maintains stable temperatures in non-climate-controlled spaces.

External Temperature Range: 38°F - 110°F

Gallon-Sized Door Bins

Store large containers in the door instead of using shelf space.

Humidity-Controlled Crisper Bins

Choose the ideal humidity level for each bin to keep fruits and vegetables fresh.
