Certifications & Warranty

27 cu. ft. Capacity

Offers ample food storage in a counter-depth design while keeping items organized and accessible.

AutoFill Water Pitcher

Instantly enjoy cold, filtered water using the built-in dispenser and the included 54-ounce pitcher.

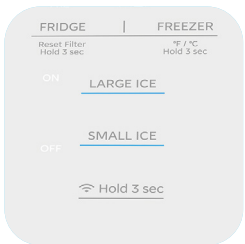

Internal Water Dispenser

Manually dispenses water into bottles and cups when the pitcher is removed.

Dual Ice makers

Icemakers in the freezer produce up to 5 pounds of ice per day.

Two Types of Ice

Choose small or large cubes to match every drink; from sodas that need to chill fast to slow-sipping cocktails.

Gallon-Sized Door Bins

Store large containers in the door instead of using shelf space.
