¹Samsung Vision AI features vary by model, see individual model for more info. Utilizes AI-Based formulas.

²Utilizes AI-Based formulas to upscale to 4k resolution. Resulting picture may vary based on source content.

³Utilizes AI-based formulas.

⁴Samsung Account required for network-based smart services, including streaming apps and other smart features. Computer, mobile or other device may be necessary to create/login to Samsung Account (free to download and create). Without Account log in, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available. Channels may vary by location and are subject to change. UI is subject to change without prior notice.

⁵Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate (connected) computer, mobile or other device may be necessary to create/login into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

⁶SmartThings require compatible devices only. SmartThings app download may be required.

⁷Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

⁸High speed internet connection, additional gaming service subscriptions and compatible controller required.

⁹Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
