¹4K 165Hz is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary.

²Includes 30 free refreshed artworks monthly, paid subscription required to enjoy all the art from the Art Store. Samsung Account log-in and Wi-Fi connection are required.

³Wireless One Connect Box sold separately and must be connected to the TV wirelessly for full TV functionality. Wireless connection may be affected by surrounding environment, may not connect when enclosed or blocked by metal (e.g., from inside a metal cabinet) or by other physical objects such as walls. TV and

⁴Wireless One Connect require separate power cord connections.

⁵Samsung Account log-in and Wi-Fi connection are required. Includes free 30 refreshed artworks monthly through Art Store Streams and over 70 ambient content supported complimentary throughout the year. Paid subscription required to enjoy all the art from the Art Store.

⁶Wireless One Connect Box sold separately and must be connected to the TV wirelessly for full TV functionality.

⁷Utilizes AI-Based formulas to upscale to 4K resolution. Resulting picture may vary based on source content.

⁸4K 165Hz is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary.

⁹Utilizes AI-Based formulas to upscale to 4K resolution. Resulting picture may vary based on source content.

¹⁰Utilizes AI-Based formulas.

¹¹Q-Symphony requires a compatible 2020-2026 Samsung TV. Please refer to [samsung.com](https://www.samsung.com) for more information.

¹²HDMI-CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

¹³Samsung Vision AI features vary by model; see individual model for more info.

¹⁴AI inputs and queries may be recorded and shared with 3rd party providers. Requires Samsung account and consent to Viewing Information Service; must be 18 years or older. Accuracy not guaranteed. Check results.

¹⁵AI Soccer Mode must be turned on in settings. Utilizes AI-based formulas.

¹⁶Feature availability varies by input source/app. Utilizes AI-based formulas; results vary. Samsung account and internet access required.

¹⁷Fees apply to subscription service.

¹⁸Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via

HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

¹⁹SmartThings require compatible devices only. SmartThings app download may be required.

²⁰Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

²¹Requires SmartThings app to be installed on the mobile device and connected via the same Wi-Fi network as the TV set. Mobile mic is compatible only with Galaxy S23 or later models and iPhone 15 & above. You must download the Karaoke app from Tizen to use the Karaoke function. An additional paid subscription is

required for this service after 6 months of free use. (Users can access 5 songs per day for free without a subscription.)

²²High speed internet connection, additional gaming service subscriptions and compatible controller required.

²³Super Ultrawide Game View is supported for PC games only. This feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
