WARRANTY: [CLICK HERE](#)

<sup>1</sup>4K 144Hz is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary.

<sup>2</sup>Samsung Account login and Wi-Fi connection are required. Includes free 30 refreshed artworks monthly through Art Store Streams and over 70 ambient content supported complimentary throughout the year. Paid subscription required to enjoy all the art from the Art Store.

<sup>3</sup>Wireless One Connect must be connected to the TV wirelessly for full TV functionality. Wireless connection may be affected by surrounding environment, may not connect when enclosed or blocked by metal (e.g., from inside a metal cabinet) or by other physical objects such as walls. TV and Wireless One Connect require separate power cord connections. 4Samsung Account required for network-based smart services, including streaming apps and other smart features. Computer, mobile or other device may be necessary to create/log in to Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available. Channels may vary by location and are subject to change. UI is subject to change without prior notice.

<sup>4</sup>Samsung Vision AI features vary by model, see individual model for more info.

<sup>5</sup>Bezels sold separately.

<sup>6</sup>Motion sensor is activated after turning it on in Settings and only operates in Art Mode.

<sup>7</sup>Utilizes AI-Based formulas to upscale to 4K resolution. Resulting picture may vary based on source content.

<sup>8</sup>DLG 240 is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary. DLG 240Hz will reduce image resolution. Visual quality and results vary by title and system configuration.

<sup>9</sup>Utilizes AI-Based formulas.

<sup>10</sup>Supreme Mini LED Dimming is Software-based (not full-array hardware-based) technology.

<sup>11</sup>DLG 240Hz can be enabled in settings and will reduce image resolution. Up to 240Hz only available with PC connected games that support such specifications (PC graphics card required). Visual quality and results vary by title and system configuration.

<sup>12</sup>Q-Symphony requires a compatible 2020-2024 Samsung TV. Please refer to samsung.com for more information.

<sup>13</sup>HDMI-CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

<sup>14</sup>AI inputs and queries may be recorded and shared with 3rd party providers. Requires Samsung account and consent to Viewing Information Service; must be 18 years or older. Accuracy not guaranteed. Check results.

<sup>15</sup>AI Soccer Mode must be turned on in settings. Utilizes AI-based formulas.

<sup>16</sup>Feature availability varies by input source/apps. Utilizes AI-based formulas; results vary. Samsung account and internet access required.

<sup>17</sup>Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

<sup>18</sup>Fees apply to subscription service.

<sup>19</sup>SmartThings require compatible devices only. SmartThings app download may be required.

<sup>20</sup>Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

<sup>21</sup>High speed internet connection, additional gaming service subscriptions and compatible controller required.

<sup>22</sup>Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
