

3 SERIES CHIMNEY WALL HOODS

Viking 3 Series – RVCH

FEATURES AND FUNCTIONS

- 460 CFM interior-power ventilator ships standard
- Variable-speed control for custom venting
- LED lights for better visibility and efficiency
 - Dimmer on lights allows custom lighting – separate on/off switch allows consumer to leave dimmer in favorite position
- Heat sensor activates ventilator to full power when cooking temperatures reach uncomfortable levels
- Recirculating kit with air-purifying charcoal filters available and sold separately if exterior ducting is not desirable
- Adjustable duct cover comes standard with product

EASY CLEANUP

- Mesh filters made entirely of stainless steel for durability and long life; efficiently remove grease and heated vapors from the air
- Dishwasher-safe filters are easily removed for quick cleaning
- Design of low-profile filter system means less interior hood space to be cleaned
- Interior of rangehood canopy has stainless steel liner for increased rigidity, seamless appearance, and easy cleaning

MODEL NUMBERS

- RVCH330 – 30"W. Chimney Wall Hood with Standard Ventilator
