SDHDR2446PNR

33.75" x 23.5" x 18" (H x W x D)

24" wide shallow depth built-in undercounter 2-drawer refrigerator with panel-ready drawer fronts and black cabinet

Highlights:

24" wide all-refrigerator with two slide-out drawers for built-in or freestanding use

Uniquely shallow depth under 18" for an easy fit in kitchen islands

ETL-S listed to NSF-7 standards to allow use in commercial establishments

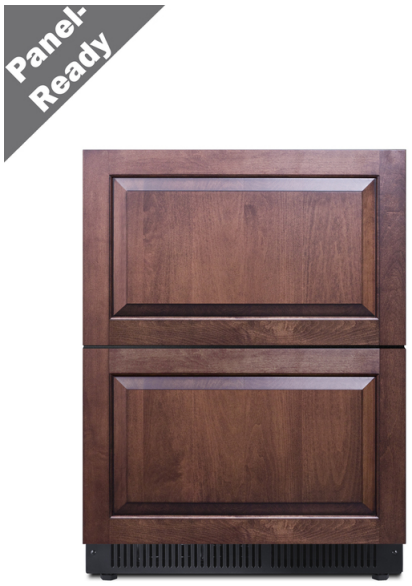

Product Features:

24" Wide 2-Drawer All-Refrigerator	24" wide all-refrigerator with two slide-out drawers for built-in or freestanding use
Shallow depth design	Unique 18" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space
Easy panel installation	We include two sets of brackets that let you install your panel directly to the brackets, then slide over the drawer, with no need to drill through the front
Panel-ready drawer fronts	Customize your style by installing overlay panels to match or complement adjacent cabinetry (panel size: 23 1/8" W x 14 7/8" W at 3/4" thick)
Stainless steel front finish	Fully finished drawer fronts also allows you to choose a traditional stainless steel front if not installing overlay panels
Built-In capable	Front-breathing design allows you to make the best use of space by installing your appliance under the counter and flush with other cabinets in 24" wide openings
Commercially approved	ETL-S listed to NSF-7 standards to allow use in commercial establishments
Complete stainless steel interior construction	Drawer interiors and exteriors are fully constructed from 304 grade stainless steel for lasting durability with a finished front for an elegant look
Two stainless steel drawers	Slide-out drawers for full refrigeration storage and easy seperation of meats, cheeses, and produce
