## SUMMIT

# SINC2B230B

1.88" x 11.38" x 20.5" (H x W x D)

3600W 208-240V 12" wide 2-zone built-in induction cooktop in black glass with touch controls and power boost

### **Highlights:**

3600W of cooking power with boost functions for both elements

Advanced safety features include automatic shutoff, overflow protection, child lock, and residual heat indicator

Smooth EuroKera surface made of durable, low maintenance black glass

#### **Product Features:**

Induction heating	Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience	
3600W operation	Powerful elements with fast heating to meet most stovetop cooking needs	
EuroKera glass surface	Easy cleanup and elegant style on a smooth ceramic glass surface in a jet black finish	
Large rear element	8 1/4" element operates at 2000W (with a 2600W capacity at the boost setting) for fast, powerful heating	
Standard front element	6 1/4" front element operates at 1500W (or 2000W using boost) to cover most general cooking needs	
Boost function	Both cooking zones include a "boost" function that lets them operate at a higher setting for up to 5 minutes, ideal for reducing cook time when boiling water	
Timer function	Allows you to program either burner to heat at a specified level for up to 99 minutes and either turn off when finished or display a countdown with an audible alert when the time is up	
Safety cut-off	If the cooktop on/off switch is touched but no power level is selected within one minute, the cooktop automatically turns off
