SUMMIT

SWBV3071

34" x 29.5" x 23.5" (H x W x D)

30" wide commercial built-in undercounter dual zone wine and craft beer cooler designed for the display and refrigeration of beverages, with locks, digital thermostats, and glass doors in a French door swing

Highlights:

Unique dual zone design lets you store wine and craft beer under different temperatures

Flexible design allows built-in or freestanding use in 30" wide spaces

Stainless steel trimmed glass doors feature modern French door swing

Product Features:

Commercial design	Meets UL-471 commercial standards
Built-in capable	Make the best use of space by installing this unit under the counter
Dual zone design	Two independent zones allow you to store both red and white wine or craft beer at the proper conditions
Digital controls	Interior digital thermostat lets you separately manage the temperature of each section, with a readout viewable in Celsius or Fahrenheit
Generous storage capacity	Store up to 33 standard Bordeaux style wine bottles in the right section and up to 72 8 oz. cans or 48 12 oz. bottles in the beverage section. To accommodate wider Burgundy style wine or champagne bottles, you can remove every other wine shelf
Recessed LED lighting	Gentle and energy efficient LED lighting in an attractive white hue offers an elegant view of stored items
Adjustable wooden shelves	Red wine section includes six removable wooden shelves for proper bottle storage
Adjustable beverage shelves	Craft beer section is equipped with three adjustable black wire shelves with an attractive wooden trim to complement the wine section
Slotted floors	Floor is specially designed with slots to allow you to store larger champagne or Burgundy style bottles safely on their sides
