product description

Visibly cool mist and style. The CMTF47 Ultrasonic Humidifier disperses a cool mist you can see in medium-large rooms up to 400 sq. ft. The top-fill .97-gallon tank features up to 45 hours of runtime with automatic shutoff when out of water, plus adjustable mist. Clean Tank Technology helps protect the tank from mold and mildew while the included essential oil tray and built-in night-light offer relaxing aromatherapy.
