

SOLAR-POWERED

The SolarCell Remote™ trickle-charges through both indoor and outdoor lighting, plus the USB-C port can be used for a fast-charge. The remote incorporates recycled materials, is compatible with most screens¹ and features a sleek innovative design.

ONE REMOTE CONTROL

Keep things simple with just one remote. SolarCell Remote is compatible with your TV and connected devices, like game consoles and soundbars, so you don’t have to worry about juggling a bunch of remotes. Plus access more info on what you’re watching by pressing the Samsung Vision AI button on select 2025 TVs.²

COMPATIBILITY
