Gas Range Die-Cast Aluminum Griddle - Black with Non-Stick Surface, Recessed Drain Channels, and 2-Divided Grease Wells (19.685-IN X 7.874-IN X 0.433-IN)

Color  Black

### Product Description

Model W11123246 Die-cast aluminum Gas Range Griddle fits over your burners and provides a flat surface for cooking. The smooth griddle side is non-stick and is great for cooking eggs, pancakes, grilled cheese, and more. The rectangular shape gives you more cooking space than a standard round pan, enabling you to make more at once. This is an accessory that can be used across several brands; check to see if your model number is compatible. Installing this griddle will not require tools, disassembly of the appliance, or repair experience.
