JennAir Rise-Style Built-In, Side-by-Side Refrigerator Handle Kit - Stainless Steel for JS42NFXDE and JS48NFXDE Models

Color  Stainless Steel

Product Description

Model W11231243 Built-In Refrigerator RISE™ Handle Kit, Stainless Steel is a professional style, stainless steel kit for your built-in wood-paneled refrigerator and includes (1) handle, installation hardware, and installation instructions. These accessory handles create a finished, custom look for your panel-ready built-in refrigerator. This kit is designed to be used only with custom wood panels with a thickness of 3/4-IN. The handle and handle mounting hardware must be installed before installing the custom wood panel. This product is an accessory item compatible with several models; check to see if your model number is compatible. Installing this accessory will require basic hand tools and novice installation experience. Remember to unplug the appliance or shut off the house circuit breaker before installing this part.
