JennAir 36-IN Rise-Style Built-In, FDBM Refrigerator Handle Kit - Stainless Steel, also for 15-IN Ice Makers/Compactors

Color  Stainless Steel

### Product Description

Model W11231247 Built-In Refrigerator RISE™ Handle Kit, Stainless Steel is a professional style, stainless steel kit for your built-in wood-paneled refrigerator and includes (3) handles, installation hardware, and installation instructions. These accessory handles create a finished, custom look for your panel-ready built-in refrigerator. This kit is designed to be used only with custom wood panels with a thickness of 3/4-IN. The handle and handle mounting hardware must be installed before installing the custom wood panel.  
 Installing this accessory will require basic hand tools and novice installation experience. Remember to unplug the appliance or shut off the house circuit breaker before installing this part.
